Hey Tanya and Sheila, this need one edit. See my redline below.

- The Consumer Product Safety Improvement Act of 2008 (CPSIA), permanently prohibited children's toys or child care articles containing concentrations of more than 0.1 percent of three types of phthalates: di-(2-ethylhexyl) phthalate (DEHP); dibutyl phthalate (DBP); or, benzyl butyl phthalate (BBP).
- On October 27, 2017, the Commission issued a final phthalates rule (16 CFR part 1307) with an effective date of April 25, 2018.
 - The rule prohibited children's toys and child care articles that contain concentrations of more than 0.1 percent of two High-priority Substances, diisobutyl phthalate (DIBP) and dicyclohexyl phthalate (DCHP) as well as di-n-hexyl phthalate (DHEXP) and di-n-pentyl phthalate (DPENP)

Ex. 5 Deliberative Process (DP)

- di-(2-ethylhexyl) phthalate (DEHP),
- dibutyl phthalate (DBP),
- benzyl butyl phthalate (BBP),
- diisononyl phthalate (DINP),
- diisobutyl phthalate (DIBP),
- dicyclohexyl phthalate (DCHP).

The phthalate leads pulled together these bullets on the CPSC ban for children's toys. Let me know if you need anything else. They're also in the attached if you want to make edits.

- The Consumer Product Safety Improvement Act of 2008 (CPSIA), permanently prohibited children's toys or child care articles containing concentrations of more than 0.1 percent of three types of phthalates: di-(2-ethylhexyl) phthalate (DEHP); dibutyl phthalate (DBP); or, benzyl butyl phthalate (BBP).
- On October 27, 2017, the Commission issued a final phthalates rule (16 CFR part 1307) with an effective date of April 25, 2018.
 - The rule prohibited children's toys and child care articles that contain concentrations of more than 0.1 percent of two High-priority Substances, diisobutyl phthalate (DIBP) and dicyclohexyl phthalate (DCHP) as well as di-n-hexyl phthalate (DHEXP) and di-n-pentyl phthalate (DPENP)
- Any children's toy or child care article that contains concentrations of more than 0.1 percent of the following High-priority Substance phthalates is prohibited:
 - di-(2-ethylhexyl) phthalate (DEHP),
 - dibutyl phthalate (DBP),
 - benzyl butyl phthalate (BBP),
 - diisononyl phthalate (DINP),
 - diisobutyl phthalate (DIBP),
 - dicyclohexyl phthalate (DCHP).

Hi Andy and Tanya:

Apparently phthalates will likely come up at MF's hearing in Q&A. Unclear on the angle but CPSC was specifically referenced so could you work together to develop a handful of bullet points on the CPSC action and what our plans are (MRREs, HPS timing etc.) and share with this group Today if possible. Just facts. We don't need to speculate on the way the assessments will play out. Thanks.

Mark
